

Planning Commission of City of Cleveland Heights

Dear Sir/Madam:

I would like to apply for conditional use of the house at 2640 Euclid Heights Blvd, Cleveland Heights, OH 44106, which is a single family house, located in the HISH DEN APT zoning code area. I would like to turn this house to a boarding/lodging house. No construction projects are involved in this application.

The house has three stories. The floor plans are shown below. I will appreciate it very much, if you grant my application.

Thanks.

Xian Mao, the owner
